sepectfully requested to leave their afvertisement se Business Office, in the Ravenna Book Store, and ke them in person to the Printing Rooms.

ETNA MILLS, AKRON. - While in Akron felday last, we had the pleasure of going through

Her is met by a car, run out from the mill a la railro ring the services of but a single man from to out load of grain is received, weighed, as

hor done in this estal-lishment by ten men. Mr. Bunt 14 now engaged in putting in a large s verful iron water-wheel, that will give his Mill capa private business, his large coal property in Virginia absorbing a large portion of his time.

He leaves behind him a large estate, the accumulation of a life of industrious devotion to business; and also leaves behind, to poor young men, a priceless example

a of whest at a time, and is supplied with all the best and most modern machinery known to mill wrights. The Etna Mills, in the hands of a man of Mr. Buzt'

grows and water runs the mili-stones will be kept in faltering and untiring in their execution. He never proton.

Mr. Burl has just associated with himself in the proprietorship of the Etna Mills, E. B. Taylon, Esq., of this presented to the admiration of his associates, the spectacle of an unconquered and unconquerable purpose.

To Mr. Burl's attention we were indebted for a visit to the Akron Steam Flour Harrel Factory. This institution, commercial, financial and political interests of the counwhile it is a most ingenious curiosity, is a most valuable try; his acquaintance with men distinguished in all the

three of the principal mills in Akron—the 'Etna Mills' being one of the proprietors. The barrel factory buys its

men, and when in full bleat turns out eight sundred harmels per day. It is situated in North Akron, near the
junction of the Ohio & Pennsylvania and Ohio Canais. The
main building and cooper shops are built of brick, with
stems floors, tin roofs, and fron doors and window shut
ters.

Some the principles that he deemed right, were among
his noblest characteristics.

Some thought him cold and austere. This opinion

was founded on a lack of knowledge of his inner sens bilities. His apparent austerity was the unavoidab these parts are split into pieces and placed in a steam of house; from the steam house they are taken to the stave. U machine, smoking hot; pass from that to a machine for b these parts are split into pieces and placed in a steam house; from the steam house they are taken to the stave machine, smoking hot; pass from that to a machine for counting the eads even; next to the chime rimer; then, after a time in the kilu-dry house, the material is ready for the cooper. The barrel heads are cut out as fast as a man can count five, and go through the drying process, with the staves.

Connected with the Barrel Factory is a machine shop, in which all the necessary repairing, &c., is done for the higher qualities which so much adora the human character underness and outgrowth of his natural energy and force of character underness machine, a subject to the exterior of hardy manhood, was a man over the part to the wise of the stern man suffuses. The writer of this has cut out the term when made the recipient of unexpected but the staves.

As a husband and a parent, as a friend and a neighbor, as a citizen and a christien, in all that combines to prove the spirit of true manilness, he exhibited those in which all the necessary repairing, &c., is done for the subject qualities which so much adora the human character.

The supply of barrels can always be relied upon for the bome demand, which is nearly equal to the supply. The surful smade always finds a ready market.

The Barrel Factory is an institution that is worthy of glorious life beyond, has opened before him, we cann a visit from the curious, and, as a business enterprise, doubt. But the community mourns his sudden depar must be of value to the town in which it exists

The supply of barrels can always be relied upon for the supply. The supply of the supply o

CORRECTION.—In a part of our edition last dearest, most treasured earthly friend, protector an week an error occurred in the synopsis of the Eric Annual Conference p occedings. It was said that "Rev. C. Kingsbury from the committee on Slavery made a reapport," &c., whereas it should have been Rev. Calvin Kingsbury, D. D., Editor of the Western Christian Adocate.

"Thus star by star declines, The following named members of the Conference

ed the committee on slavery: and healthy tone; and the suggestion in regard to amending the General Rule, namely, "The buying, sellin

nvenience and information of the public, who do not tis rail road enterprise. J. N. McCullough, the press President of the Road, F. R. Myers, General Tick Agent; J. Hovey, Master Machinist; Conductor Russ now Depot superintendent at Cieveland, and a num

This week we find room for the following extracts:
Sec. 90. The law requires postage on all latters except
those to foreign countries and to officers of Government
having the franking privilege, and on official business, to
be prepaid by stamps or stamped envelopes, prepayment
in meney being prohibited.
Sec. 91. Prepayment on drop letters is optional.
Sec. 130. Any word or communication, whether by
printing, writing, marks or signs, upon the cower or
wrapper of a newspaper, psupplet, magazine, or other
printed matter, other than the name and address of the
person to whom it is to be saut, subjects the package to
letter peetage, and such postage should be, like all other
letter postage, prepaid, or the matter sheads so be mailed.
Sec. 139. It is the duty of the postmester at the mailing office, as well as at the office of delivery, carefully to
examine all printed matter, in order to see that it is
charged with the proper postage, and to detect frauds. rawn hither to add by their presence, the testimony of heir respect and sorrow that a good man has departed Among this number were J. A. Harris, Esq., the vetras itor of the Leader; Rev. Moses Hill, Rev. Mr. He sen, Des. B. Rouse, Des Moses White, Loris Prentiderson, Dea. B. Rouse, Dea Moses White, Loris Frentiss, Prosecuting Attorney of Cuyahoga county, Wm. Turner formerly a citizen of Ravenna, Judge Warren of Rewburg, Judge Van R Humphrey of Hudsen.

Wherever Mr. Prentiss was known, all bearts were touched with sorrow at his sudden decease, and all felt it a duty to grant to his howered memory the last tribute of

last, two horses belonging to Capt G. G. Ressett, who lives sellacent to the C. & P. R. R. track a mile South of

Railroad, and were no doubt moon the track as the tra saproached, and not getting out of the way quickly, were hit by the cow-catcher. They were found upon their stumps next morning, upon alternate sides of the track. was great. Those who had been intimate with the de ceased in other days could not resist the impulse to com The injury was of such a nature that it was necessary to

In 1822, at the age of twenty-five years, Mr. Paux spened a store in Ravenna, under the style of Paux
